## SUMMARY

Motivated and detail-oriented individual with strong communication, problem-solving, and organizational skills. Experienced in various roles including student jobs, machine operation, and painting. Passionate about modern technologies, with a solid foundation in software development and testing, especially front-end and UX/UI design using tools like Figma, Jira, GitHub, and Postman. Demonstrated teamwork capabilities and a commitment to continuous learning. Former athlete with experience in football and athletics, fostering perseverance and a competitive spirit. My independent frontend portfolio has received positive feedback, reflecting my drive for precision, even if sometimes at the expense of speed. I am reliable, diligent, and open-minded, seeking complex challenges where I can grow and contribute meaningfully as part of a team.
